Sir:

I am in receipt of yours of the 11th inst. returning Transfer Order No. 10528 dated the 10th instant, in your favor covering the transfer of $11,000. in one cent copper-nickels from the Minor Coin Redemption Fund, to Minor Coin Recoinage Account, in which you state that the transfer requested in yours of the 9th instant, was for the purpose of transferring the five cent coin to the Sub-Treasury in accordance with your letter of the 21st November last.

In your letter of the 7th instant, "in further "reply to mine of the 29th ultimo," you state that you "are authorized to pay the cost of transporta- "tion of minor coins in exchange for lawful money

when

"when ordered in sums of twenty dollars or multi-
"ples thereof, in conformity with the practice of the
"Mint since the year 1857," while in your letter of
the 11th, you state that the coin is to be transfer-
red to the Sub Treasury.

In view of your letter of the 7th instant that
distribution would be at the cost of the Mint, and
in compliance with your request of the 9th instant
for issue of the Transfer Order for $11,000. it
could only be inferred that the transfer referred
to was to take the Minor Coins (5 pieces) from
the Minor Coin Redemption account to some ac-
count from which they could be distributed by
you. If, however, you can distribute them from
the above account without transfer to the Recoinage
account, your letter of the 9th, would seem to be
unnecessary, and upon receipt of advice from you
to the above effect the order will be cancelled.

Very respectfully
